

Woodoc Deep Penetrating Furniture Wax Specification Sheet

Typical Application:

Woodoc Penetrating Furniture Wax is a liquid maintenance wax for indoor use. Woodoc Deep Penetrating Furniture Wax may be applied to processed and unprocessed timber, sealed and unsealed joinery, furniture, floors, doors, panelling and marble. Woodoc Deep Penetrating Furniture Wax is a liquid maintenance wax suitable for the finest of furniture, wooden ornaments and interior woodwork. Also suitable as a finish for untreated wood where a natural surface is required.

Product Features:

Woodoc Deep Penetrating Furniture Wax is the premier wipe-on maintenance and beautification product for all oiled, sealed and varnished woodwork. It will protect furniture and woodwork against severe moisture and environmental changes, such as experienced with changes in season, and while furniture or woodwork is in transit.

- Good water repellent properties.
- Brings out the natural colour and grain of wood.
- Does not affect the tensile strength of wood.
- Imparts distinctive elegant sheen to wood.
- No rubbing or polishing is required; merely wipe the product on.
- Non-toxic once dry.
- Does not affect glue.
- Compatible with all varnishes, sealers or finishes.
- Unlimited shelf life.
