## Woodoc Reviver -

### Effectively Renovates Weathered and Bleached Wood

#### CONTENTS

1 Sachet Wood Reviver Crystals; Wooden Mixing Spatula; Protective Latex Gloves; Scrubbing Brush.  
Makes 5 litre of Wood Reviver. Just add warm water.

#### WOODOC WOOD REVIVER

Woodoc Wood Reviver is a powerful wood cleaner that revives weathered and bleached wood. Ideal for cleaning grey or blackened decks, fences and other exterior wood. Can be used on all types of wood.

**Note: This product is not a paint stripper.**

#### DIRECTIONS FOR USE

- Remove all metal or brass fittings, or protect by coating with petroleum jelly, clean grease or wax.
- Remove all previous coatings, ensuring that the Wood Reviver solution can reach the wood fibres.
- Use the protective gloves.
- Fill the container with warm tap water and dissolve the crystals.
- Use the wooden spatula to stir - DO NOT use any metal and avoid contact with hands or skin.
- Work the solution into the wood with the scrubbing brush. Treat all the wood to ensure an even appearance.
- Wash down with plenty of water.
- Repeat process if necessary.
- Allow the wood to dry thoroughly (2-3 weeks). Sand wood and seal with a suitable exterior Woodoc Sealer.
- Wood Reviver Solution may be stored and re-used. Replace lid firmly after use to prevent evaporation.

#### SAFETY INFORMATION

- Keep away from children.
- Use only as per instructions.
- Contains Oxalic acid.
- Corrosive to skin and eyes.
- Avoid contact with skin. Wear gloves when handling crystals and solution. Wash contaminated skin with plenty of water.
- If ingested, give water to drink. Do not induce vomiting. **Consult a doctor immediately.**
- Store away from oxidizing agents and foodstuffs.

#### WARRANTY

Rekara Mills (Pty) Ltd warrants that this product, as consigned from our factory, was subject to strict quality assurance tests and meets durability, safety, and quality standards. The product must be used, stored and handled strictly according to the instructions and warnings provided on the container and/or any pamphlet attached thereto or made available with the product. All such instructions and warnings must be strictly adhered to otherwise Rekara Mills (Pty) Ltd accepts no responsibility for the use or performance of this product.

# Application Instructions

## Woodoc Reviver -

### Doeltreffende Vernuer van Verweerde en Gebleikte Hout

#### INHOUD

1 Pakkie Houtvernuwerkristalle; Houtspatel om mee te meng; Beskermende Latex Handskoene; Skropborsel.  
Maak 5 liter Houtvernuwer. Voeg net warm water by.

#### WOODOC HOUTVERNUWER

Woodoc Houtvernuwer is 'n kragtige vernuer van verweerde en gebleikte hout.

Ideaal vir die skoonmaak van grys of swartgeworde dekke, heinings asook ander buitenshuise hout. Geskik vir gebruik op alle houtsoorte.

**Let Wel: Hierdie produk is nie 'n verfstroper nie.**

#### GEBRUIKSAANWYSINGS

- Verwyder alle metaal- of koperbybehore, of beskerm dit deur met petroleumjellie, skoon ghries of was te bedek.
- Verwyder alle bestaande bedekkings om te verseker dat die Houtvernuweroplossing die houtvesels kan bereik.
- Gebruik die beskermende handskoene.
- Maak die houer met warm kraanwater vol en los die kristalle op.
- Gebruik die houtspatel om te roer - MOENIE metaalvoorwerpe gebruik nie en vermy kontak met hande of vel.
- Werk die oplossing in die hout in met die skropborsel. Behandel al die hout om 'n egalige voorkoms te verseker.
- Was mildelik af met water.
- Herhaal prosedure indien nodig.
- Laat hout behoorlik droog word (2-3 weke). Skuur hout en verseël met 'n geskikte buitenshuise Woodoc-verseëlaar.
- Houtvernuweroplossing kan gebêre en weer gebruik word. Maak styf toe na gebruik om verdamping te voorkom.

#### VEILIGHEIDSINLIGTING

- Hou buite bereik van kinders.
- Gebruik slegs volgens aanwysings.
- Bevat Oksaalsuur.
- Skadelik vir vel en oë.
- Vermy aanraking met vel. Gebruik handskoene wanneer kristalle en oplossing hanteer word. Was vel deeglik met water af indien dit met oplossing in aanraking kom.
- Indien oplossing ingeneem word, drink baie water. Moenie vomering induseer nie. **Raadpleeg 'n dokter onmiddellik.**
- Moenie naby oksideermiddels en voedsel bêre nie.
